The Village of Cumberland

Utility Billing Third Quarter 2014

With this leaflet, you will have received your third quarter utility bill for sewer, water and solid waste services.

Payments can now be made through your online banking services or in person at participating financial institutions. When setting up as a new payee online, search the word "Cumberland" then choose **Village of Cumberland Utilities** or **Cumberland (Village of) Utilities.** Your account number is located in the top right hand corner of your utility bill which is an eleven digit number. Please enter all eleven digits **excluding** the decimal.

Please allow two business days for processing of payments.

Participating financial institutions are:

- First Credit Union
- Royal Bank
- Scotiabank
- National Bank
- Credit Unions*
- TD Bank
- Bank of Montreal

**Utility Bill Due Date:*

November 24th 2014

Pay your bill by November 24th to avoid a 10% penalty.

**Please check with your credit union to confirm it offers this service.*
Please enquire with your financial institution if it does not appear on this list.

It's Time to Use Your Water Wisely

1. Consumption based water billing began on April 1,2014
2. The current utility bill includes consumption based water billing for the period of July, August and September.
3. Your next utility bill will be for the billing period of October, November and December and will be mailed in January 2015.
4. Search "water conservation" at cumberland.ca for more information on reducing your water consumption.
