Moving forward with heritage conservation in Cumberland

Share your thoughts about proposed goals and strategies to help conserve Cumberland’s heritage

EVERYONE IS WELCOME

DROP-IN OPEN HOUSE

Tuesday November 8, 2016
5:00 - 7:00 pm
Village of Cumberland Council Chambers
2675 Dunsmuir Avenue
What’s the Heritage Management Plan?

- A Heritage Management Plan uses community input to create a vision and strategies for the conservation of a community’s heritage, over one, five, and ten years.
- The plan takes into account all of the features that a community thinks have heritage value, such as buildings, industrial sites, parks, cemeteries, landscapes, trails, community events ... and states why they are important.
- Over the last 10 months, the Village of Cumberland and the Heritage Advisory Commission has been working on the management plan that will help conserve Cumberland’s heritage.
- Input was collected from the public at two workshop sessions held in April 2016 and through an online questionnaire.

What’s the Open House about?

- The Open House will present the key findings of the draft Management Plan, including the heritage inventory, heritage register, goals, strategies and tools developed for the conservation of heritage in Cumberland.
- We’ll ask the public to respond by commenting on the plan and filling out a short questionnaire.
- Collected input will be considered in the preparation of the final draft of the Management Plan.
- We want to hear from as many different people in the community as possible.
- It’s a drop-in format, so stay for ten minutes or two hours.
- Light refreshments will be available.

How can I participate?

- Attend the Open House on Tuesday November 8 between 5:00 and 7:00 pm and share your thoughts on the draft Heritage Management Plan.
- Stay tuned for project updates.
- Questions? Call 250 336-2291 or email planning@cumberland.ca.

If you care about Cumberland, you’re ready to participate in the Open House.
