Elector Eligibility

In order to sign an elector response form in relation to the alternative approval process, a person must either be a resident elector or a non-resident property elector.

RESIDENT ELECTOR

A resident elector is an individual who is entitled to sign an elector response form during an AAP by virtue of living within that jurisdiction. When signing an elector response form, a resident elector must:

- Be 18 years of age or older,
- Be a Canadian citizen,
- Have lived in British Columbia for at least six months,
- Have lived in the Village of Cumberland for at least 30 days,
- Not be disqualified under the *Local Government Act*, or any other enactment from voting in a local election, or be otherwise disqualified by law.

NON-RESIDENT PROPERTY ELECTOR

A non-resident property elector is an individual that does not live in the Village and who is entitled to sign an elector response form during an AAP by virtue of owning property in that jurisdiction. When signing an elector response form, a non-resident property elector must:

- Be 18 years of age or older,
- Be a Canadian citizen,
- Have lived in British Columbia for at least six months,
- Have owned property in the Village of Cumberland for at least 30 days,
- Not be disqualified under the *Local Government Act*, or any other enactment from voting in a local election, or be otherwise disqualified by law.

Note: Only one non-resident property elector may sign an elector response form per property, regardless of how many people own the property. That owner must have the written consent of a majority of the other property owners to sign the response form on their behalf. Property owned in whole or in part by a corporation does not qualify under the non-resident property elector provisions.

The Village of Cumberland has forms available for non-resident property electors to use when gaining written consent from the other property owners for this AAP.
