Elector Eligibility

In order to sign an elector response form in relation to the alternative approval process, a person must either be a *resident elector* or a *non-resident property elector*.

RESIDENT ELECTOR

A resident elector is an individual who is entitled to sign an elector response form during an AAP by virtue of living within that jurisdiction. When signing an elector response form, a resident elector must:

- Be 18 years of age or older,
- Be a Canadian citizen,
- Have lived in British Columbia for at least six months,
- Have lived in the Village of Cumberland for at least 30 days,
- Not be disqualified under the *Local Government Act*, or any other enactment from voting in a local election, or be otherwise disqualified by law.

NON-RESIDENT PROPERTY ELECTOR

A non-resident property elector is an individual that **does not live in the Village** and who is entitled to sign an elector response form during an AAP by virtue of owning property in that jurisdiction. When signing an elector response form, a non-resident property elector must:

- Be 18 years of age or older,
- Be a Canadian citizen,
- Have lived in British Columbia for at least six months,
- Have owned property in the Village of Cumberland for at least 30 days,
- Not be disqualified under the *Local Government Act*, or any other enactment from voting in a local election, or be otherwise disqualified by law.

Note: Only one non-resident property elector may sign an elector response form per property, regardless of how many people own the property. That owner must have the written consent of a majority of the other property owners to sign the response form on their behalf. Property owned in whole or in part by a corporation does not qualify under the non-resident property elector provisions. The Village of Cumberland has forms available for non-resident property electors to use when gaining written consent from the other property owners for this AAP.
