Solid Waste Collection

Containers

Stickers for your organics and recycling containers are available at the Village office. Please keep your containers within these limits:

Maximum volume: 77 litres

Maximum weight: 22 kg

Organic Waste

Organic waste is not collected from commercial businesses at this time.

See the Comox Strathcona Waste Management website at cswm.ca/organics for information on organics disposal options.

Commercial Hazardous Waste

The Comox Strathcona Waste Management (CSWM) service does not accept commercial hazardous waste for disposal.

If you have commercial hazardous waste for disposal, please contact one of the following commercial hazardous waste recyclers in the area:

- Hetherington Industries: 1-800-563-6004
- Envirochem Services Inc: 604-986-0233
- Coast Environmental: 1-888-228-2211

Search “hazardous waste” at www.cswm.ca for more information or call 250-334-6016.

Be Bear Aware

To avoid attracting bears to your solid waste, please store your containers in an animal proof location until collection day and set out your containers on collection day by 8:00 am and not the night before.

Recycling

You can find a detailed list of what can be included in your curbside recycling container at recyclebc.ca or by searching “recycling” at cumberland.ca.

All recycling must be in a proper container, not in a plastic bag or cardboard box.

Foam packaging, plastic bags and outer wrap, and glass containers must be taken to the Comox Waste Management Centre or another depot for recycling.

Garbage

Please do not include these materials in your garbage container:

- Yard waste
- Recyclables, including tin, plastics, cardboard, and refundable containers
- Hazardous waste
- Ignitable waste and ashes
- Demolition and construction waste
- Oversized items of any kind, larger than 60cm
- Biomedical or pathological waste
- Animal carcasses
- Raw sewage or septic tank sludge
