5.2 Regional Accessibility Framework:

The Village is participating in the collaborative development of a regional accessibility framework, which may be referred to the Committee at the July meeting.

The Village will also enter into an agreement along with other regional local government partners for the Comox Valley Social Planning Society for the services of a regional Accessibility Committee along to meet the Accessible BC Act requirements for an accessibility plan and a committee

that meets the membership composition required by section 9 of the Accessible BC Act:

(2) An accessibility committee must, to the extent possible, have members who are selected in accordance with the following goals:

- (a) at least half of the members are
  - (i) persons with disabilities, or
  - (ii) individuals who support, or are from organizations that support, persons with disabilities;
- (b) the members described in paragraph (a) reflect the diversity of persons with disabilities in British Columbia;
- (c) at least one of the members is an Indigenous person;
- (d) the committee reflects the diversity of persons in British Columbia.

Once the framework is completed this fall, each local government will develop its own accessibility assessments and action plans, which Council will discuss during 2024 budget development.
