Request for Quotation

Camera System at Recreational Center and Cultural Center

October 20th, 2023

Please respond by 3:00 pm Friday, November 17th, 2023

The Village of Cumberland is seeking installation and security camera equipment for both the Recreation and Cultural Centers.

We would be looking for both interior and exterior cameras, and would require the ability to monitor activity in real time in certain locations as well as review saved footage for access to management at later dates. We expect to use between 7 and 10 cameras.

Submission:

The Village asks that you please provide the following as part of your quote:

- Project understanding
- Price of equipment
- Cost of setup
- Monthly monitoring fees
- Installation and labour costs
- Timeline for installation and training

Please submit proposals to purchasing@cumberland.ca by 3:00pm on November 17th 2023.
