Use of Funds

Were the funds used for the purpose for which they were requested in your application?

Yes

No

If no, please explain:

Funds must be returned to the Village if

- (a) the funds are used for purposes other than those set out in the application to the Village,
- (b) circumstances change and your organization cannot undertake the service, and/or
- (c) the service cannot be completed.

Future Funding

Where funding was received for seed operational funding, describe the organization's efforts and successes to obtain long term operational funding:
